Sub: Request for permission to answer Examination papers in the Nepali Medium

Respected Sir/Madam,

With due respect and humble submission, I would like to bring the following matters to your kind attention for your favourable consideration.

Many underprivileged students from the remote areas of Darjeeling and Dooars have dropped out or are unable to clear their secondary and higher secondary Examinations. This is primarily due to language barriers, as the current Examinations are conducted only in Bengali and English mediums. These students are native Nepali speakers and lack the required proficiency in Bengali or English to perform well in their exams.

If given the opportunity to appear for the Examinations and write their answers in the Nepali medium, they would comfortably understand the assessments, clear their Exams, and secure a brighter future.

Therefore, on behalf of the Siliguri Nepali Sahitya Prachar Samiti, I earnestly request you to kindly grant permission for these students to write their Examination in the Nepali Medium.

Thanking you in anticipation,

Yours faithfully,

Sub. : Request for permission to write in the Rabindra Mukta Vidhalaya, Secondary and Higher Secondary Examinations in Nepali Language

Respected Sir/Madam,

We appreciate your effort to show the path of higher studies to the poor and drop-out desirous students by conducting Rabindra Mukta Vidhalaya, Secondary and Higher Secondary Examinations through your institution.

It is learnt that the medium of writing of these Examinations are only Bengali and English.

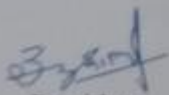

Due to the medium of Language of writing in those examinations so many poor and drop out aspirants whose Mother-Tongue is Nepali from the hill district of Darjeeling and Kalimpong and Tarai-Doors are deprived from sitting in those Examinations. They are not well-versed in either languages.

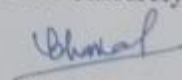

Though, the Nepali language is recognised as an official language of hill districts and Tarai-Doors in the year 1961 and Late Dr. B.C. Roy was the Chief Minister. This language has been included in the 8th Schedule of Indian Constitution.

Hence, We earnestly request you to be kind enough to take necessary step so that the Nepali speaking deprived drop-outs may appear in the Rabindra Mukta Vidhalaya, Secondary and Higher Secondary Examinations and write in Nepali.

Thanking you.

Yours Sincerely,

President

Secretary
